FUNCTION HOURS FROM: \_\_\_\_\_ TO \_\_\_\_\_

Pool parties during pool hours are limited to events for minors. Adult parties must start no earlier than 7 p.m. A party is determined as 16 or more non-resident guests of one household on a given day. The fee for a pool party of 16-25 guests is \$50. The fee for a pool party of 26 or more guests is \$100 plus the cost of additional lifeguards if necessary. The application must be submitted to the FBPOA On Site Manager 2 weeks prior to the event. Private pool parties extending after regular pool hours must hire lifeguards at the expense of the renter. The pool management company will determine the number of lifeguards required. Swim Metro requires renters for after hour parties to complete a "Pool Party Reservation" form which needs to be in their office no later than 10 days prior to the event. This form is available either on the website or with On Site Manager.

Only voting members in good standing of the Founders Bridge Property Owners Association (FBPOA) may make application for reserving the FBCP. The FBPOA member signing for the event must be in attendance throughout the entire function and is totally responsible for obtaining signed waivers for their guests. All pool rules and regulations must be enforced.

All Checks are to be made payable to :FBPOA

Please remember nearby residents should NOT be disturbed. FBCP must be locked and exited by MIDNIGHT.

I have read this FBCP Reservation Contract and the attached FBCP Rules and Regulations, understand the rules and responsibilities and agree to abide by them.
